[ verse one ]

It's high now  
So low it's high  
Like this, check it out yo

Took a trip on a bus that didn't know  
Met a girl sellin' drinks at the disco  
Said truth comes back when you let it go  
Seems complicated cause it's really so simple  
Walkin' down Young Street on a Friday  
Can't follow them, gotta do it my way  
No fast lane, still on a highway  
Movin' in and out, no doubt there's a brighter day

Chorus [ repeat 2x ]

No time to get down cause I'm moving up  
No time to get down cause I'm moving up  
No time to get down cause I'm moving up  
Ahh, haa... Check out the crabs in the bucket

[ verse two ]

It's like this, It's like this..  
It's like fly in a room, scream, writing on walls  
Swear this clone been havin' a ball  
Claimin' themselves just before last call  
Tic-a-tic-a-toc tic-a-tic-a-toc  
Clock strikes twelve, clock strikes one  
Smoking gun put these fools on the run  
I know it's not that simple, I know it's not that hard  
where's your goal

Chorus [ repeat 2x ]

No time to get down cause I'm moving up  
No time to get down cause I'm moving up  
No time to get down cause I'm moving up  
Ahh, haa... Check out the crabs in the bucket

[ verse three ]

Yeah na I mean

Yeah, I heard you man, yo, check, yo, yo

It's a connotation, fit when the microphones lit  
I take it higher like a bird on a wire, retire the fire  
I'll never cause I'm just moving on up  
Choosin' to touch, the unseen, craving the clutch  
The most inevitable, legible pyro-mania  
Slaying the devil, and send him back to Transylvania  
Strangely enough, I avoid that side of the ghetto  
From my heavy metal, will settle the puppets like Jepeto  
Damm, if mirrors were created by sand  
Then I'm looking in the water for reflections of man  
Understand the minds above time when it's empty  
Emcee, tragically hip, ahead by a century, rrahh

Chorus [ repeat 2x ]

No time to get down cause I'm moving up  
No time to get down cause I'm moving up  
No time to get down cause I'm moving up  
Ahh, haa... Check out the crabs in the bucket
