You're the one who knows  
How to make me glow  
From my head to toe  
And you're the one who showed me rainbows in the  
night  
And I know...  
You're the one who sees  
Deep inside of me  
You make me know that it's alright  
And know it's alright  
And baby I...  
Always thought that I was just too young  
To find forever love  
So, tonight I'll make a wish  
That I will never have to give you up  
And you'll be mine

Forever my love (my love)  
Forever my heart (my heart)  
I wish upon a star (a star)  
That you're forever...(ooh)  
Forever my heart (forever my heart)  
Forever my love (tonight)  
Tonight I wish upon a star  
That you're forever in my heart

You're the one that sees  
When I go to sleep  
Can this really be  
That from a single glance I want you to be mine  
Oh, and I know...  
You're the one I need  
You're so good for me  
You're my ray of sunshine  
Shining oh so bright  
And baby I...  
And I thought I really could believe  
I'd find forever love  
So, tonight I'll make a wish  
That I will never have to give you up  
And you'll be mine

Forever my love (forever love)  
Forever my heart (my heart)  
Tonight I wish upon a star  
That you're forever... (yeah)  
Forever my heart (each and every day)  
Forever my love (say tonight)  
Tonight I wish upon a star  
That you're forever in my heart

Can it really be possible  
Can this vision truly be  
Have I really found the treasure  
In you that it seems  
So, tonight I'll make a wish  
That forever you will be  
The light right here inside my heart  
Forever and a day  
Please be mine
