turn this up  
turn this up  
uh huh  
no beat  
uh huh  
no no no beat  
uh huh uh huh

heaven only knows  
uh uh  
cuz I don't understand  
understand  
wont you tell me please  
tell me please  
whats the master plan  
master plan  
spent so many days  
many days  
sitting on a cloud  
sitting on a cloud  
heaven only knows  
only god knows  
so I'll just move the crowd

yo tell em  
tell em  
now  
now  
now

I break out my physical shell  
and excel past the so called body  
used to go to the party  
but now I sit and chill with the pen and the pad  
dropping ill philisophical science  
me and my dad we talk about life  
and how it started  
how we departed from lights path  
and probable right math  
the task at hand is making people understand that  
we're not who we think we are

within this land of lost the cost of souls could be so  
high  
people be getting high wondering why we die  
but it's all planned  
to get your fear take the hand  
we keep on returning because the lessons need  
learning  
concerning the fact  
I sing and I rap  
I hold this mic contact  
critics can step back and analyze  
I energise with cosmic rays of days  
there ain't no ??? ??? of the sun

heaven only knows  
cuz I don't understand  
don't undertand  
wont you tell me please  
cuz I pray every day  
whats the master plan  
the master plan  
spent so many days  
many days  
sitting on a cloud  
sitting on a cloud  
heaven only knows  
only god knows  
so I'll just move the crowd

yo  
riddle me this  
riddle me this  
like this

melodical prodigal flows  
hypnotical blows to brain pieces  
telekenisis  
when I reach this pinnacle cynical clinical  
microphone autobots waiting on lotto spots  
trying to rock  
but yo they can't understand  
there's only one plan  
the time is at hand  
in the year two zero one one  
the people of the sun return to free the righteous  
children  
now!, I know you want to be on top of the world  
giving a diamond and pearl to your girl watching your  
jacuzi swirl  
seems like material lust  
we need to look up to the heavens for imperial trust

me!, it's kinda hard when you rhyme sometimes  
everybody wants to scrutinize  
redifine who you are  
but every person is a star  
so let your light shine far  
and praise god

heaven only knows  
only knows  
cuz I don't understand  
don't understand now  
wont you tell me please  
tell me please  
whats the master plan  
I wanna know the plan  
spent so many days  
many days  
sitting on a cloud  
sitting on a cloud  
heaven only knows  
so I'll just move the crowd

if you feel this  
sing it with me like  
sing it with me like  
sing it with me like

la la la lala lala  
I'll just move the crowd for now

gotta move the crowd  
gotta move the crowd  
gotta move the crowd

la la la lala lala  
I'll just move the crowd for now

somebody told me  
they said uh

if you free them  
they will start revolution and babylon cannot defeat  
them  
(right  
and they don't want that  
and they don't want that  
and they don't want that)  
if you free them  
they will start revolution and babylon cannot defeat  
them  
(mind revolution

mind revolution)

and so uh uh  
my sister sage  
and my girl graf  
you know the time  
the shadow thorn  
and s love  
and ??? gel  
the figure four  
and uh  
the rascalz  
and uh  
and kardinal  
and uh  
my mom and dad  
and uh  
my brother a  
and uh
