I've been
baby down the road
you've been
up the street
I think
it's about time
you come talkin' to me
I see
the way you look at me
you see I don't mind
I know
that you've been thinkin' about
the perfect opening line

It's a shame you
keep playin' your game cause
I don't wanna wait no more

You can be my hottie, hottie
Not just anybody, body
Everybody knows how the story goes
We can have a party, party
You, me, and nobody, body
Everybody knows, how the story goes

I was
hangin' with my friends
you were all alone
I thought
you would talk to me
but you were on the phone
I don't
know the reason for
for you're so shy
even
when I call your name
you keep on passin' me by

It's a shame you
keep playin' your game cause
I don't wanna wait no more

You can be my hottie, hottie
Not just anybody, body

Everybody knows how the story goes
We can have a party, party
You, me, and nobody, body
Everybody knows, how the story goes

Finally
you come talkin' to me
I want you in my life
you will see that
once upon a time not long ago
there was a guy
who wasn't sure
now you realize
I don't wanna wait anymore

No more, no more no
Don't wanna wait
Anymore
Don't wanna wait
Anymore
Wait
Anymore
Don't wanna wait
Anymore (anymore)

You can be my hottie, hottie
Not just anybody, body
Everybody knows how the story goes
We can have a party, party
You, me, and nobody, body
Everybody knows, how the story goes

You can be my hottie, hottie
Not just anybody, body
Everybody knows how the story goes
We can have a party, party
You, me, and nobody, body
Everybody knows, how the story goes
