I'll meet you on the roof tonight
To paint a perfect sky,
Then we'll climb this castle,
You can show me how to fly
In circles among the stars.

We'll swim into the deep,
Feed sushi to the sharks,
I'll play 'a thousand miles'
Over and over again.

Wrap up warm there are no clouds tonight,
You can wear my clothes.
When we climb this castle,
You can show me how to fly...

We'll swim into the deep,
Feed sushi to the sharks,
I'll play a thousand miles
Over and over...

You're home now
I don't see you at all.
I'd go back in time,
I'd do it all again,
I wanna see you smile...
