Its the same old tarps, just a different game  
They out here tryna cyber, but now it aint the same  
They say they female, but they feel it in their soul  
People talkin shit, so now they bout to get exposed

Chorus[x2]:

They tarpin  
Tarpin  
Tarpin  
Hard

Exposin tarps  
Shoulda done this from the start

First names Chelsea, real name is Ethan  
But the middle name is wat, nigga what the fuck were  
you thinking  
Your IC name is Hannah  
Don't walk around with that propaganda

Now this girl Arina  
I knew she was a tarp when I seen her  
No pun intended  
She was a four out of ten when I seen it  
Tarpin aint a great look  
Nigga makin fake accounts on Facebook

Tarp re-arranged  
Spells trap  
Ya understand?

Its the same old tarps, just a different game  
They out here tryna cyber, but now it aint the same  
They say they female, but they feel it in their soul  
People talkin shit, so now they bout to get exposed

Chorus[x2]:

They tarpin

Tarpin  
Hard

Too many tarps  
Too much to count  
All they want is buttsex  
Call 'em the Count  
Bitch

Get off the counts  
With your fake ass pussy  
I call 'em cheevy kel

THIS nigga is tarpin hard

Tell me what you feel, why you tarp that?  
Pullin no girls, bro, why you reppin that?  
Now I feel proud, exposin these clowns  
Fuck all you niggas who claim to wear a gown

Its the same old tarps, just a different game  
They out here tryna cyber, but now it aint the same  
They say they female, but they feel it in their soul  
People talkin shit, so now they bout to get exposed

Chorus[x2]:

They tarpin  
Tarpin  
Tarpin  
Hard

LaunchBox a target  
He a gay nigga who tarpin  
Says his ass a female  
Thats backwards ass like Martin

I think his name was Iker  
But never got triple sandz, so i beat 'im

Why you always bitchin, shoulda got a lynchin  
I guess he is a Hyk, cuz he be always missin  
You couldn't be a real man, even in dreamland  
I guess it aint the same, but yall niggas still lame

Its the  
Same old tarps, just a different game  
They out here tryna cyber, but now it aint the same  
They say they female, but they feel it in their soul  
People talkin shit, so now they bout to get exposed

They tarpin  
Tarpin  
Tarpin
