Happy?

isn't it strange
that the stars don't shine no more now since you're
gone
isn't it strange
that we can't look back and see just what went wrong

i wanna know now where we are,
should i pretend and let things be
and knowing what you've done,
could you come face to face with me

isn't it strange
that you told me one thing and suddenly changed your
mind
isn't it strange
that you'd come here for me turn away and leave me
behind

now it feels like i'm drowning,
feels like i'm drowning without you
i know the feeling,
cause i've felt this all before

i hope you don't feel just like me,
i hope you don't feel just like me
i hope you don't feel just like me,
i hope you're happy

isn't it strange
that the world seems to turn away when i try to explain
why it's so strange
that two can be as one yet not the same

and it feels like i'm drowning,
feels like i'm drowning without you
i know the feeling,
cause i've felt this all before
and it feels like i'm dying,
feels like i'm dying now i know the truth

i hope you don?t feel just like me,
i hope you don?t feel just like me
i hope you don?t feel just like me,
i hope you?re happy

don?t feel just like me,
i hope you don?t feel just like me
i hope you don?t feel just like me,
i hope you?re happy

don?t feel just like me,
i hope you don?t feel just like me
fuck i hope you feel much worse than me,
maybe not so happy

not so happy, yeah,
not so happy, yeah
not so happy,
welcome to my world

not so happy, yeah,
not so happy, yeah
not so happy,
welcome to my world
