Impossible for man
To live peacefully
In very era
Brutal wars are there to see

Hatred

Religion the reason
For most who fight
Everyone hates everyone
They kill and think they're right

Forever

No way around this fate
Wo know what's to come
World peace remains extinct
Revival is long gone

No hope

Of living without threat
Of fearless lives
Of a world without anger
The future is confined
Suffering
Anger is forever
Hatred is human

Conform
Deal with it
All civilization was built from hate
Can't live together
Accepting all
Kill if you disagree
The enemy must fall

We're just another time
Murder persists
One thing to count on
We know will always exist

Hatred

Will be here forever
It's mankind's way
Fury is an emotion
That is here to stay

Forever
