"I Live My Death"

Alone in darkness, born in hell
Suffocating
Invisible walls, the mind is bound
Entombed in my body i live my death

Living in a world of non-reality
Decapitated, soulless stare
Comatose, the walking dead
Day by day we're dying
In pain we crawl to death
Vicious, greedy, seething hate
Ensnared, a dark hearted fate
An eye of scorn, the sardonic grin
Let hate breed war, revenge begins
An eye of scorn, the sardonic grin
Let hate breed war, revenge begins

A silent sickness, death unseen
An ignorant choice, believe me you'll bleed
The loss of loved one, soul will scream
Until then on ego you'll feed
