"Ok folks, enough with the gay jokes  
'Specially from a gay broke bitch, a'ight lope?  
This how I do-do, you been here longer than me  
And I get paid more than you do  
Dawg take a seat  
What's this guy standing in line for?  
He ain't got money to eat!  
Check this out, yo, yo  
This guy cash' his whole check and bought one ho-ho  
Fucking homo  
Little maggot  
You can't hack it  
Paul's gay, but you're a faggot!  
'Least he admits it  
Don't even risk it  
This guy's starving to death  
Someone get him a biscuit!  
I dont know what they told you, Mike  
You must have dem corn rows rolled too tight  
This job you wanna quit, but you can't  
You worked at this plant so long, you are a plant  
Look at your god damn' boots  
For christ's sakes, they're startin' to grow roots!  
And this Mike you be faded  
You look like a pissed off rapper who never made it  
And why you fucking with the gay guy, G?  
When really you're the one who's got the HIV  
Man I'm done with this clown  
He's soft, fuck it  
I'll let home girl finish you off"
