[Future]

Well Jimmy moved in with his mother  
Cuz he aint got no place to go

[Eminem]

And im now im right back in the gutter  
With a garbage bag that?s full of clothes

[Future]

Cuz you live at home in a trailer  
What the hell u gonna do?

[Eminem]

Cuz I live at home in a trailer  
Mom Im coming home to you

Well my names jimmy and his names Greg Buel  
And me him n u went to the same school.  
This ain't cool, I'm in a rage, he's tappin my mom  
Were almost the same age  
On the microphone I drop bombs  
Look at this car, thanks a lot mom!  
Here happy birthday rabbit  
Here's a brand new car, u can have it  
Its 1928 delta. this shit wont even get me to the shelter.  
And I cant even stand for a motel.  
Cause I'm back in the 8-1-0 now

Cuz I live at home in a trailer,  
Mom I'm commin home to you
