My soul's burning, immortal death
Screaming inside
Demonic possession, something's within
Taking my life away

Fear me! Demon of lies
I'm seeing your world through your eyes
I control your mind, control your life
Lashing out with mindless violence

Visions of hell, thoughts in my head
What the fuck is wrong?
I can feel the evil, hate inside
Can't stop the surging power

You'll kill for me, I need the blood
A pawn in this game of hate
Soulless chamber in a godless world
Where is he now, your faith is lost
I can feel your fear, it feeds me well
Soulless chamber, godless world

Visions of hell, thoughts in my head

What the fuck is wrong?
I can feel the evil, hate inside
Can't stop the surging power
My vision clears, begin to understand
Standing over the body, the axe in hand
Arms covered, stained with life
Memory is lost, realization strikes

You'll kill for me, I need the blood
A pawn in this game of hate
I can feel your fear, it feeds me well
Soulless chamber, godless world
Blistering skin, cracking of bone

Eyes burning, body changing form
Last thoughts of humanity, trying to win free
But hell is taking over now
Submit your soul to me

No
Soul burning, immortal death
Demonic possession, taking my life away
