I don't think you understand
That what you're doing is not so cool
You think it's funny to mess with my mind
Don't you?

You know I like you so you just tease me
You give me just enough to hang on and on
When you're just wasting my time
You're simply wasting my time
So quit wasting my time

Do you hear me when I say
So let me ask you something
Do you think I'm pretty or don't you
Do you wanna get with me or not at all

Are you just wasting my time
You're simply wasting my time
So quit wasting my time

And what would you've got to say
Well things have got to change
See this just isn't right
I don't wanna have to fight
And I think I'd better go
Cause this ain't working out any more
and I'm sorry, sorry, sorry

(oh, oh, ohhhh)

Understand
That what you did
Was just not so cool
Baby, you're just not that cool
