I don't think you understand  
That what you're doing is not so cool  
You think it's funny to mess with my mind  
Don't you...

You know I like you so you just tease me  
You give me just enough to hang on enough  
When you're just wasting my time  
You're simply wasting my time  
So quit wasting my time

Do you hear me when I say  
So let me ask you something  
Do you think I'm pretty or don't you  
Do you wanna get with me or not and now...

Are you just wasting my time  
You're simply wasting my time  
So quit wasting my time  
And what have you got to say  
Well things have got to change  
See this just isn't right  
I don't wanna have to fight  
And I think I'd better go  
Cause this ain't working out any more  
and I'm sorry, sorry, sorry

(oh, oh, ohhhh)

Understand  
That what you did  
Was just not so cool  
Baby, you're just not that cool
