She wakes me from my sweet jealousy
To tell me she's scared just like me.
She takes me like nobody before
wherever she goes.
She would paint the empty skies just to catch your
fleeting smile

She can make me feel a little shy
'cause -

She's my brand new toy
I like the way she moves me

My brand new toy
she turns to me so softly.
She says: Lean on me.
She's my brand new toy
I like the games we're playing

My brand new toy
and I'll make her sit and wonder

I'm under her impression
too.

So early out and into bed again

Night to day she'd rest my aching head.
And I'd take this world to show my interest
To find that leaves her totally unimpressed.
My smile
my words
my charm when she takes me in her arms

She makes me feel a little bold
'cause -

She's my brand new toy
I like the way she moves me
...
She's my brand new toy

I like the way she moves me
