Confusion

Yo, B-Rabbit?  
Ha  
This silly rabbit don't like lettuce I heard he likes dicks  
Faggot niggas  
With ponytails and lipstick  
I'm for real  
Don't give a fuck  
What, what, hoho  
It's like this  
Eastside's where I'm from  
You got beef?  
Hit me on the street with a badge and a gun  
Fuck a badge  
I'm comin through with black mags  
Bout to  
Do this B-Rabbit nigga cause he's a fag  
Like I said earlier in the claw.....

Eminem

Alright look  
I can see when I put her to the test  
Battling this chick,  
With no breast  
And why I gotta battle a chick  
Especially one that's wack,  
With a dick  
So you a dope MC?  
Don't get mad and start taking your period out on me  
Cause I ain't done shit to you  
What's your name confusion  
Well then I guess I gotta confuse you  
This ain't something I'm used to  
Why the fuck did future even introduce you  
I really don't understand  
Why this chick is up her right now who wants to be a  
man  
On this mic is rat-a-tat-tat  
Why the fuck am I up here battling da brat  
You don't even really wanna see this

On this microphone I will eat your fuckin fetus  
Yo
