This River  
Lyrics  
music & lyrics by JJ Grey

I stare at a picture but there's nothing for it  
I pull on the bottle and watch this river roll on by  
Trying to find purpose trying to see meaning  
Trying to make sense of the nonsense that I've called  
my life

Cause only this river can bear me to safety  
Only this river can bear me away

See them all work and play there on the other bank  
Warm in their houses while I face my cold alone  
Guess I've been drinking away to keep the wolves of  
my mind at bay  
but if you run you die I'm just too tired to care

Cause only this river can bear me to safety  
Only this river can bear me away  
I feel Her flowing, flowing right through me  
I hear Her whispers drowning my words  
Only this river can save me from myself

Where did my soul go?  
Where did my spirit hide?  
Why won't they rescue me from the pain in my mind?

Only this river in all of Her glory  
Only this river can bear me away

Only this river
