Ain't no sunshine when she's gone  
It's not warm when she's away  
Ain't no sunshine when she's gone  
And she's always gone too long any time she goes  
away

Wonder this time where she's gone  
wonder if she's gone to stay  
Ain't no sunshine when she's gone  
And this house just ain't no home  
Any time she goes away

And I know I know (24x)  
I ought to leave the young thing alone  
But ain't no sunshine when she's gone

Ain't no sunshine when she's gone  
Only darkness every day  
Ain't no sunshine when she's gone  
And this house just ain't no home

Any time she goes away (4x)
