Urgency

It's a big word for the meaning of the 9-1-1  
You call there and cops continue to eat donuts  
after an half-hour  
they come and say that nothing happens  
That's the police ?? authority ??

There's a murder the other side of the street  
Call the cops, and wait  
When they will come  
It's all be gone

There's flight  
They do nothing  
There's a fight  
They don't move  
9-1-1 it's nothing for them  
they are nothing

They arrest skateboarder  
But leaves the sluts alone  
Rape began to be important  
Only if they know the rapist

There's flight  
They do nothing  
There's a fight  
They don't move  
9-1-1 it's nothing for them  
It serve to nothing

These donuts eater  
Don't care of us  
They just wait until pay day  
Just to buy donuts again and again...

There's flight  
They do nothing  
There's a fight  
They don't move  
9-1-1 it's nothing for them

It serve to nothing

Authority

They abused of it  
They got a majority  
They think they win  
They won't beat us  
I promised it !

Cops are totally nothing  
Exept if they got their gun  
So be carefuL with them  
Or kick their guns and escape

There's flight  
They do nothing  
There's a fight  
They don't move  
9-1-1 it's nothing for them  
It serve to nothing  
It serve to nothing  
It serve to nothing
