well I don't know what your trying to do to me
I'm getting kind of worried that its never gonna be
I still care but its never gonna work
and its all because of that stupid asshole jerk

well I don't really know
A Puzio
we are not a pair
and I don't think I care

If its this scumbag that messes up my shot
I'll cut off his nuts and hang em out to rott

I'll tie him to an anchor and watch him sink
I'll hang him from his eye lids and make him blink

well I hope this message is getting through to you
I guess you mean more to me, then I do to you
maybe its the feeling you bring out in me
that gives the worst case, case of apathy
