I love a girl
She dosen't even know i exist
I saw her with her hair
She's a godness in the hell
And a flower in the grass

She's a girl who dosen't care
about guys like me
But i love her
For all...

A girl like that
A girl like that, there is one by century
Not 2 cause
she's aN horny angel
But An angel that everyone wants
Only for himself

She's a girl who dosen't care
about guys like me
But i love her
For all...

She's the kind of girl that
When she gets to school,
every guy looks at her
Some people
Say that she's a bad girl but
I say that it's the Godness

She's a girl who dosen't care
about guys like me
But i love her
For all...

I'VE loved her for ever
I'll always LOVE her
She got a place in my heart

My heart will be in love until I die
SO I WILL DIE IN LOVE !
