Time is money  
You'll do what for a penny  
You pay for everything  
Why not for loving?

It's complicated to live  
Always need money  
We continue to believe  
That the eagle on the quarters still pretty  
The rich kept their dollars  
They kept their gold  
When we will burn their dollar  
The price is gonna be right into the gold

Time is money  
You'll do what for a penny  
You pay for everything  
Why not for loving?

Life is a game  
That you pay for live  
The other players do the same  
Even if they forgive  
Pay for crime  
Pay for kill  
You'll die for a dime  
Oh yes you will

Time is money  
You'll do what for a penny  
You pay for everything  
Why not for loving?

If you win a lottery  
You'll become rich  
You will win the hypocrisy  
That's all you'll reach  
You want to know  
How is the reality  
I don't think so  
Cause it's too ugly

Time is money  
You'll do what for a penny  
You pay for everything  
Why not for loving?  
Why not for dreaming?  
Why not for money?  
Why not for living?  
Why not for me?
