its you and me
lookin for something to do
searching for something new
I've got you by my side
and got beer on my mind
I know that you will call
and always let know
if anythings up
but for now I feel like

no one knows my name
we are not the same
nobody's around
no hears my sound.....
but this is my life
this is my life.....

its you and me
walking around the streets
looking for some fun
I've got you by my side
I've got girls on my mind
and I know that you will call
and you will let me know
if anythings up
but now I feel like
