Every days he arrived at school,
To always get beaten up!
The guy has big glasses
And he's kind of fat.
He loves School
But he will realize that

SCHOOL SUCKS !!!

Every day he arrived at school,
All girls dream to get a date with him.
The guy is tall and muscled,
He goes out with girls
To hide that his gay!
He hates school so he realize that...

Every day she arrived at school,
She haves big boobs and a nice ass.
Every guys who loved her
Say that she???'s a BITCH!
