Just when you think you got it all figured.....out!!  
and then to watch a life slip between your hands  
nothin you can do yeah, yeah, yeah  
nothin to say  
to make it all go away  
push and push and push for another day  
Its all gonna be okay!!

Cause all that you want  
Is all taht you got  
and all that you need  
Is all a step away!!

So take a tip from me  
enjoy your life and see  
It'll be okay!!

And now your body's on overdrive, cause you can't get  
no sleep  
You lay in bed all night cryin half the time  
And its stuck in your mind yeah, yeah, yeah  
its up in your head  
images right before your eyes  
getting worse each and every time  
Its stuck in my mind!!
