Met her last night at the party  
She won't remember me  
I don't know why I'm even trying  
It's all too plain to see  
That she doesn't even care about me  
Or the things I'd say  
And even if I asked her out I know  
She would smile and walk away  
Why do they always choose the wrong guys  
And I don't think I'm going to be the one this time  
And I don't even know why she's always on my mind  
But it's time to move on  
Down the line  
Say goodbye  
She doesn't like me this I'm sure  
I'll pretend that it's okay  
That every time I talk to her  
She forgets my name  
I'm going to go on knowing  
That she's just a waste of time  
But I'll still go and hold out with hope  
That I'll make her mine
