Baby, baby, you don't understand
How much I love you, baby
And how much I want to be
Your only man, oh, baby

Baby, baby, baby, you don't have to go
Stay a little while longer, baby
I want to talk to you
Just a little more

I see the tears in your eyes about to fall
You are wondering if I'm for real
But if you cry, wonder why you cry
I'll tell you no lie, this is how I feel

Baby, I'm for real

But if you want to know the truth about it
Girl, I just can't live without you
And that's why I'm professin' my love to you
So that I can live my whole life with you

Baby, baby, baby
Never, never, never, never
Ooh, ooh, ooh, ooh, ooh, ooh, ooh
