Don't hang up (No No)
Oh don't you do it now,don't hang up (No No)
Don't hang up like you always do
I know you think our love is true
I'll explain the facts to you,don't hang up

Give me a chance or our romance is through
Don't hang up, Oh don't you do it now, don't hang up

I took a walk with Mary Lou
I ran around to visit Sue
She had some boys I never knew
Don't hang up
They took a ride so baby I went too

Stopped at the record hop I had to be a sport
We jumped and we did the slop
Then you walked in....and I was caught
Don't hang up, Oh don't you do it now
Don't hang up

A- you got some explain'in too
A like that chick I saw with you
So talk fast like you always do
Don't hang up, you've got one chance
or our romance is through

Instrumental

Then you walked in and you were caught
Don't hang up Oh don't you do it now don't hang up

I didn't say our love was through
But if we made a fool for two
Cause making up is fun to do
Don't hang up

Cause no one else will ever do but you
Don't hang up Oh don't you do it now
Or you'll be sorry baby
You know I love you baby
