One day I will conquer the world
No one will be able to stop me
Cause I know I'm oblige to kill
I'm oblige to die
Here goes my life

I know my one destiny
I know my one future
All that cause I'm
Born to be kamikaze

My family doesn't care about me
My friends are all the same as me
I would never you love
I've never had any pity
Here I go

I know my one destiny
I know my one future
All that cause I'm
Born to be kamikaze

I just follow the leader
Cause I know that I'm gonna die
I just want to live
Just want to love
But I know myself that I go like this

I know my one destiny
I know my one future
All that cause I'm

Born to be kamikaze

I never had a chance
I'm oblige to do it
I'm sorry for those who died
For those who have been killed
Here goes my kamikaze life

I know my one destiny
I know my one future

All that cause I'm
Born to be kamikaze

I know my one destiny
I know my one future
All that cause I'm
Born to be kamikaze

I'm sure that I won't survive
No one ever survived
I will be dying soon
I will be killing soon
Here goes my orders

I know my one destiny
I know my one future
All that cause I'm
Born to be kamikaze
I know I'm
Born to be kamikaze
I know I'm
Born to be kamikaze
KAMIKAZE
