Again and again
She don't leave me alone
Do that, do this
That's the end of this story
Cause I'm getting out
Of this fuckin shit!

Pick up my clothes
Put on my cap
Open the door
Of the liberty
Getting outside
Good bye home !

I'm going away from home
Getting peace, and calm
I'ts now my rules

Now I know what is paradise
I'm alone with myself
Time past for everyone
But not for me
Cause I'm free
Forever

I'm going away from home
Getting peace, and calm
I'ts now my rules

Trust me
You can't get better

Without parents
Without rules
I always know
That it was my destiny

I'm going away from home
Getting peace, and calm
I'ts now my rules

Midnight rings

Even for me
You can't get any closer
Of love that you mist
So let me in
For sleeping in a bed

I'm going away from home
Getting peace, and calm
I'ts now my rules

Was it a good idea?
Was it a good thing?
Freezing outside
Getting sick
Can't live like that
Mom! I'm sorry!

I'm going away from the outside
Getting hot, and a bed
I'ts now my home...
