If it is
In a pipe or a rail
If you make
a Rock n' roll or an hardflip
You know that...

Skate is for ever
Whatever
You do in street or in vert
Or on a rail while sliding

A Big Spin
In boston
Looking riding Muska
In california
Skatebord forever
Anyway it's better!
You know that...

Skate is for ever
Whatever
You do in street or in vert
Or on a rail while grinding

If you fell in change nothing
While you're doing

A really tough flip
If you shit you board in an hardflip
It's the end of the world
Cause you know that

Skate is for ever
Whatever
You do in street or in vert
Or on a rail while falling

You grind every boxes
You jump over every boards
One by one
You going down the rolling
With your abecs 7

You know that

Skate is for ever

Whatever

You do in street or in vert

Or on a rail while

Singing skate forever
