Every night i just can't sleep
I just live a life that i can't support
Everybody is telling me to keep it up
But i know that i Can't do it

It's not your fault
It's all mine
I'm sorry for the troubles i caused
I won't make other shit to you
I promise

When i'll be gone you will cry
Cause to me life is too hard
But while i'm dead
Take it easy for me

It's not your fault
It's all mine
I'm sorry for the troubles i caused
I won't make other shit to you
I promise

You'll found me hidden somewhere

A rope around my neck
Or a scar on my wrist
And all troubles will disappear
With me

It's not your fault
It's all mine
I'm sorry for the troubles i caused
I won't make other shit to you
I promise

Dying somewhere
Will i regret it ?
This ,akes no sense
But its too late for me

It's not your fault
It's all mine

I'm sorry for the troubles i caused
I won't make other shit to you
I promise
I promise
I promise

To you
