Your daddy didn't like me much
And your mama told you not to rush
Into love with a boy like me
Who is always thinkin' 'bout one thing

But they didn't know she had a wild side
And it was dyin' to come alive
I stole her up when the sun went down
You know we fire out the city in a (?)

We went riding down a dirt road, real slow,
Seeing where love goes, I know,
Put it into park, out in the dark,
Seemed like a really good place to start,
Just two young kids, taking a chance
On a dirt road romance

(?)
Like nothing ever happened at all
And we would keep our secret hid
So we could go out and do it again

Yeah, we went riding down a dirt road, real slow,
Seeing where love goes, I know,
Put it into park, out in the dark,
Seemed like a really good place to start,
Just two young kids, taking a chance
Yeah, on a dirt road romance

Big (?), blue eyes, moonlight, tanlines
Radio, kissing slow, she's always ready to roll

Down a dirt road, real slow,
Seeing where love goes, I know,
Put it into park, in the dark,
Seemed like a really good place to start

We went riding down a dirt road, real slow,
Seeing where love goes, I know,
Put it into park, out in the dark,
Seemed like a really good place to start,

Just two young kids, taking a chance
On a dirt road romance

Yeah, on a dirt road romance
