I'm walkin' down the road  
walkin' down the road  
I'm walkin' down the road

I'm walkin' down the road  
walkin' down the road  
I'm walkin' down the road

I've been around  
I've been to here and there  
I'm going to make it everywhere  
I may come to your place or town  
and shake it all around  
(shake it all around)  
Where the air is good  
I like the sun  
I like to keep movin' all around  
I think I'd like to come back  
to your little town

I'm walkin' down the road  
walkin' down the road  
I'm walkin' down the road

I'm walkin' down the road  
walkin' down the road  
I'm walkin' down the road

I've gone for miles and miles  
stride for stride  
and the options are slim  
as I'm looking for a ride  
and I keep on rolling  
and keep on strolling  
all through the night  
(all through the night)

I just want to go  
where I can sit at the bay  
watching everybody  
watching them all day

so I keep walking down the road  
until I get to where I want to stay

Baby you can meet me there  
if you want  
but I'm telling you now  
don't come here  
to turn me about

(Inst)

I'm walkin' down the road  
walkin' down the road  
I'm walkin' down the road

I'm walkin' down the road  
walkin' down the road  
I'm walkin' down the road

(repeat and fade)
