(Chorus)

You're so Wonderful

You're so nice

You're so amazing, you were my favorite choice

You're so gentle

You're so kind

You were the only one I could not leave behind

(Vs 1)

After all these years of the ups and downs

I sit tight but still get around

When you go away on a midnight flight

I hear the rolling rain all through the night

(Chorus)

You're so Wonderful

You're so nice

You're so amazing, you were my favorite choice

You're so gentle

You're so kind

You were the only one I could not leave behind

(Vs 2)

I spend my time gazing at the moon

Dark cloudy skies looking out from my room

When you come home it's a great surprise

I head outside and point to the sky

(Chorus)

You're so Wonderful

You're so nice

You're so amazing, you were my favorite choice

You're so gentle

And so kind

You were the only one I could not leave behind

(Chorus)

You're so Wonderful

You're so nice
You're so amazing, you were my favorite choice

You're so Wonderful
You're so kind
You are amazing, my amazing favorite choice
