It's not quite your pussy  
and it's not yo' belly  
If you don't wash that shit  
You know it gets smelly  
It's flubby, it's chubby  
and it don't lie  
It rocks on  
and you know it's fly

When doin' jumping jacks  
It fly in the air  
From your belly button  
To yo' pubic hair  
It's the shit  
and you know it don't quit  
If you don't like it  
You can suck my dick

Move your Fupp  
Up and down  
I said move your Fupp  
All around  
I said move your Fupp  
Up and down  
I said move your Fupp  
Up and down  
I said move your Fupp  
Up and down  
I said move your Fupp  
All around  
I said move your Fupp  
Up and down  
I said move your Fupp  
That's what's up

The F is for fat  
and the U is for upper  
The P is for pussy  
So fuck you motherfucker  
If you don't shut up  
I'm gonna give up my Fupp

Make you bust a nut  
Up in my Fupp

Fee Fie Foe Fupp  
Look out hos  
'cause here I fupp  
Fee Fie Foe Fupp  
Look out sluts  
'cause here I fupps

Move your Fupp  
Up and down  
I said move your Fupp  
All around  
I said move your Fupp  
Up and down  
I said move your Fupp  
Up and down  
I said move your Fupp  
Up and down  
I said move your Fupp  
All around  
I said move your Fupp  
Up and down  
I said move your Fupp  
That's what's up
