"Just Like Yesterday"

Sad man, bad man, deep in my heart
Lonely, only, while we're apart
Dreaming, dreaming love that's so truth
And bring those wonderful,
Old memories of you

Memories of old days, seem like only yesterday
But now I, I wonder will they be the same tomorrow
I'm so tired, I'm so tired, of living in sorrow
Hey, don't you know that I'm crying, crying, silence
Since you've been gone
Hurry, hurry, please hurry on
Dreaming, dreaming, oh that's so truth
You bring those wonderful
Old memories of you!

Memories of old days, I tell them I need you
Oh baby, I never will forget darling
Whoa, ... me baby, yeah
Yeah, huu, yeah
Baby, baby, yeah, eh, yeah, yeah, whoa, yeah, yeah oh.
