Verse 1- Its unbelievable. The way she moves, the way she grooves its unbelievable. Its what i've needed though, for my entire life. Girl i've been waiting here for you for my entire life. and now your here tonight.

Turn it up, turn it up! Lets get out on the town.
(Let me show you what i'm all about)
I know its love, know its love! And i'm not backing down.
(Until your mine, Until your mine, for life)

Chorus- You make me feel, Invincible.
You make me feel, Incredible.
(You make me feel incredible)

Verse 2- Beautiful, girl i know you don't believe it, but your beautiful. You make my stomach twirl, when you look at me. You know your face is like the greatest thing i've ever seen. And now your here with me.

Im in love, i'm in love! and i'm not guilty at all.
(We'll stay alive while all the others fall)
Give me your hand, your hand! I will take you to dance.
(You know its crazy, the love we have)

Chorus- You make me feel, Invincible.
You make me feel, Incredible.

My entire life, i've dreamed to have a girl like you. Now i open my eyes, and my dream has come true. and i just wanna stop and stare. Just take you everywhere. Let the world know your mine. Girl i just wanna be with you, until the world is through, cause you know your one of a kind.

Chorus- You make me feel, Invincible.
You make me feel, Incredible.
My love for you, is spiritual.
You make me feel, Invincible.
(You make me feel invincible)
