[Verse 3: Pharrell]
Nigga
Ain't that a B-I-T-C-H
Look what the boy did, hangin' with the premates
Okay, niggas, hope you had your V8's
That 10 milli tag, dinglin' from that PH
They called it Cloud City cause you can't see Pharrell,
but then
I could see Miami through the eyes of a pelican
My bitches past the dutchess like it ain't no budget
Blowin' all the sand off that Louie luggage
The sand
That's from the Dominican Republic
I want some Chopper boat to boat, back to chop it like
fuck it
CEO's go dig for my nugget
But my minds protected by Hammer's, you can't touch
it

Niggas can't do this, and that is that
They went from check to check, nigga, I'm jet for jet
Can't copy my moves with a stencil or Etch A Sketch
Niggas you ain't even close, shake it up or reset
(Y'zerd!)

I shop til I drop
But don't follow shit, ain't none free, chill
If I ask, be the blast that gun, he will
Do anything to protect current son and these mils
That include aim and where he feels
Had that ass stretched out, straw suckin' free meals
I am what I am, nigga, dem know Lyle
One point one, stock rims on tires
Okay, fuck it, I'm an enzo buyer (Buyer...)

[Female] Teriyaki baby
[Teriyaki Boyz] Go 'head, baby
[Female] Teriyaki baby
[Teriyaki Boyz] Go 'head, baby

Repeat Chorus

Repeat Hook

[Female]
You so crazy
You so crazy
You so crazy
You so crazy
