there is rain coming in my window

would you please tell me how to stop it

cause the floodwall is arising

and they show no signs of dropping

yeah...

(no, no, no)

there's a cyclone, the wind's coming

(no, no, no)

there's a blood and golden rising

there's a rain for fifty days

i've been riding just to reach you

but i don't know what to say

yeah, yeah, yeah

(no, no, no)

and my palms is apounding

(no, no, no)

there is rain coming in my window

will you please tell me how to stop it

i've tried everything i can

but there's just no way to stop it

(no, no, no)

now the levee's overflowing

(no, no, no)
