English translation

Have you seen my right hand?
It seems to have gone missing
I'll pass out wanted posters throughout the whole town
If we don't search for it right away
Come on, we won't be able to find it fast
A stray dog starved for dreams howls tonight! I'll play
the guitar like you've never seen before
I'll sing like you've never heard before
So
Have you seen my right hand? Every human being has
their weakness, but
Dreams can still come true
Sleeping deep inside my eyes is a heart that can't be
broken
Soon tears might fall from these eyes
But I can't say why
Today and tomorrow and the day after,

let's keep searching I'll grip the microphone like you've
never seen before
I'll sing like you've never heard before
So Have you seen my right hand?
