[Robin Thicke talking]

We are at war with the universe, the sky is falling  
And the only thing that can save us now  
Is sensitivity and compassion

[Singing]

Daa da da, da da da daa da da  
Daa da da, da da da daa da da

[Talking]

But I know one thing's for sure  
I'm gonna get my kicks before it all burns down

[Lil Wayne]

Yeah  
Some say tragedy's hard to get over  
But sometimes that tragedy means it's over  
Soldier, from the academy league of rollers  
I deny being down though they seem to hold us  
My, shoulders are strong I prove 'em wrong  
I ain't doing nothing but moving on  
Let the truth be known  
But they talked that freedom at us  
And didn't even leave a ladder, damn

[Robin Thicke]

I work at the corner store  
We all got problems, problems  
No one's gonna fly down low  
No one's gonna save us now  
How you feel you're not alone  
We're all just jealous, jealous  
We don't reach the sky no more  
We just can't overcome, no

[Chorus: Robin Thicke]

You tie my hands what am I gonna be?  
What have I done so bad?  
What is my destiny?  
You tie my hands what I am I suppose to see?  
What have I done so bad?

What am I gonna be?

[Lil Wayne]

I, knock on the door, hope isn't home  
Fate's not around the lucks all gone  
Don't ask me what's wrong ask me what's right  
And I'ma tell you what's life, and did you know?  
I lost everything, but I ain't the only the one  
First came the hurricane, then the morning sun  
Excuse me if I'm on one  
And don't trip if I light one, I walk a tight one  
They try tell me keep my eyes open  
My whole city underwater, some people still floatin'  
And they wonder why black people still voting  
'Cause your president still choking  
Take away the football team, the basketball team  
And all we got is me to represent New Orleans, shit  
No governor, no help from the mayor  
Just a steady beating heart and a wish and a prayer

[Robin Thicke]

These friends they come and go  
But I got family, family  
These kids so fast they grow  
They learn so quickly now  
That there's nowhere to go  
That there's no future, future  
Don't make this here so low  
And we can't overcome, no

[Chorus]

[Lil Wayne]

And if you come from under that water then there's  
fresh air  
Just breathe baby God's got a blessing to spare  
Yes I know the process is so much stress  
But it's the progress that feels the best  
'Cause I came from the projects straight to success  
and you're next  
So try they can't steal your pride it's inside  
Then find it and keep on grinding  
'Cause in every dark cloud there's a silver lining  
I know...

[Lil Wayne talking outro]

Yeah, yeah, yeah  
See right now we just riding on love  
A shot in the dark  
We ain't tryin to do nothing but hit the heart  
We need love

That's all y'all, that's all

[Chorus]x2

Yeah, Born right here in the USA

But, due to tragedy looked on by the whole world as a  
refugee

So accept my emotion

Do not take it as an offensive gesture

It's just the epitome of my soul

And I must be me

We got spirit y'all, we got spirit

We got soul y'all, we got soul

They don't want us to see, but we already know
