Bright lights, close your eyes  
You say a prayer as you roll that dice  
You step up to the edge  
You don't jump and never see what's next

No such thing as perfect timing  
If you wanna get hit by the lightning  
Oh, who knows what you get  
Living life like it's Russian roulette

I'm giving you all or nothing  
'Cause I don't believe in holding back  
Reaching inside for something  
All or nothing, all or nothing  
Oh oh, oh oh, oh oh...  
All or nothing

Dig deep, dive in, you don't know if you sink or swim  
Get burnt, you get hurt, you get to find what it's really  
worth  
I could be a saint or a sinner  
I could be a loser or a winner, oh  
Green lights turn red, it's now or never

I'm giving you all or nothing  
'Cause I don't believe in holding back  
Reaching inside for something  
All or nothing, all or nothing  
Oh oh, oh oh, oh oh...  
All or nothing

You know I'm meaning every word I say  
You know you're looking back on your regret  
So come on, it's time to place your bet

I'm giving you all or nothing  
I don't believe in holding back  
Reaching inside for something  
All or nothing, all or nothing

I'm giving you all or nothing

'Cause I don't believe in holding back  
Reaching inside for something  
All or nothing, all or nothing  
Oh oh, oh oh, oh oh...  
All or nothing  
Oh oh, oh oh, oh oh...  
All or nothing
