Ahhh...  
Ahhh...  
Doo, doo, doo, do-doh  
Doo, doo, doo, do-doh  
Don't you wonder sometimes  
'Bout sound and vision  
Blue, blue, electric blue  
That's the colour of my room  
Where I will live  
Blue, blue  
Pale blinds drawn all day  
Nothing to do, nothing to say

Blue, blue  
I will sit right down, waiting for the gift of sound and  
vision  
And I will sing, waiting for the gift of sound and vision  
Drifting into my solitude, over my head  
Don't you wonder sometimes  
'Bout sound and vision
