"Day After Day"

I'm always treading on dangerous ground

And everything seems to be upside down

Are you practicing for judgement day?

Or do you really mean those things you say?

(chorus)

Day after day, night after night

There's a panic in this heart of mine

Day after day, night after night

I'm looking for something that's just too hard to find

I'm not the man you wanted me to be

He's kept alive inside your fantasy

But now the magic me is fading fast

Let me remind you of the face behind the mask

(REPEAT CHORUS)

Can't you see there's just no promised land, doesn't
happen that way

I hope you'll try and understand there's nothing I can
do or say

(REPEAT CHORUS x 3)
