If you were mine I would celebrate like everyday was
Christmas

If you were mine I would love you like it's nobody's
business

I would give you everything I had

I would treat you right I would make you laugh

Baby I would smile forever

If you were mine

If you were mine baby night would be a romance novel

If you were mine I would quench your thirst

Like a tall glass of water

You would be my one desire

I would kiss you like a house on fire

Baby I would burn like crazy

If you were mine

If you were mine

If you were mine

You're everything I can't resist

Just to hear your voice is bliss

It is, yeah it is

If you were mine I would shout it out

We'd show the world what love's about

We'd never sleep in our big old bed

We'd just kiss and kiss and kiss instead

If you were mine I would be complete

Nothing would be missing baby

If you were mine

If only you were mine
