It took me by surprise

When I saw you standin' there

Close enough to touch

Breathin' the same air

You asked me how I'd been

I guess that's when I smiled and said just fine

Oh, but baby I was lyin'

What I really meant to say

Is I'm dyin' here inside

And I miss you more each day

There's not a night I haven't cried

And baby, here's the truth

I'm still in love with you

(And, that's what I really meant to say)

And as you walked away

The echo of my words

Cut just like a knife

Cut so deep it hurt

I held back the tears

Held on to my pride and watched you go

I wonder if you'll ever know
What I really meant to say
Is I'm dyin' here inside
And I miss you more each day
There's not a night I haven't cried
And baby, here's the truth
I'm still in love with you
(And, that's what I really meant to say)
What I really meant to say
Is I'm really not that strong
No matter how I try
I'm still holdin' on
And here's the honest truth
I'm still in love with you
And, that's what I really meant to say
That's what I really meant to say
That's what I really meant to say
