Oh Lord you have searched me
And You know my heart
And though You're far away
You know my every thought
Before I speak a word
You know what I will say
With Your protection all around me, I go forth every day
You chalk the course out ahead of me
You are my hope and my destiny
Wherever I go and whatever I do
You are there

Can I escape Your spirit,
I'm in Your presence every way
If I sent to heaven, a golden, the earth, You're there
If I sail across the ocean, where no land can be seen
Even there Your hand is guiding, this is all too
wonderful to me
You chalk the course out ahead of me
You are my hope and my destiny
Wherever I go and whatever I do
You are there
You chalk the course out ahead of me
You are my hope and my destiny
Wherever I go and whatever I do
You are there.
