[Timbaland]

Uhh, I get over heels for someone  
I, that I really can't deal with (deal with)  
I want to block her out my mind  
But I really can't do it (do it)  
I tell myself this the last time  
I'ma let her do this to me  
Whenever we do... spend time  
I realize that I can't get enough of you

[Interlude: Patrick Stump from Fall Out Boy] +  
(Timbaland)

Wipe that sm-ile off your fuckin face (and I say to you)  
Wipe that sm-ile off your face (then I say to you)  
Wipe that sm-ile off your fuckin face (and I say to you)  
Wipe that sm-ile off your faaaaaace

[Chorus: Patrick Stump]

To be despised, to be loved  
To be dreamt of, to be sought  
I'm the inside of I don't care  
Right in the middle, I'm right in the middle  
To be despised, to be loved  
To be dreamt of, to be sought  
I'm the inside of I don't care  
Right in the middle, I'm right in the middle  
Be my unholy, my one and my lone-lyyyyy

[Patrick Stump]

I wear scarves and hoods  
cause they're the only poker face that I've got left  
And everything I love about you is a mess  
Smash the mirror and break the palm reader's hand  
I want to be better than I am

[Interlude]

[Chorus]

[Timbaland]

AOWWWWWW! Girl, just look what you've done

How could you do this to me?  
I gotta put my foot down  
I can't let you do this to me  
I can't forget those good ol' times  
And all the things you've been doin to me  
I wanna hit that one mo' time  
I'm in love, what'chu doin to me  
I'ma say it loud  
Right here let's fuck in this crowd  
Why we arguin  
I thought me and you were 'posed to be, friends  
Let's chill for minute (for a minute)  
Better yet we need to heal for a minute (for a minute)  
Baby, put down the knife  
Sometimes I wanna save ya life  
But I'm in..

[Chorus]

[Outro]

We don't got no fuckin band~!  
We ain't got no speakers, no fuckin microphones set up  
Timberland, you tunin son of a bitch  
Get the fuck outta my house now  
'Fore I get too mad and I can't turn back  
HEY!! Didn't I say get the fuck out!  
Get the fuck out! Ha ha ha ha ha...
