I got a plan for you and I
Let's journey across the Venetian skies
Can I have some of your cookies, can I have some of
your pie
May I cut the first slice, so won't you

Scream, at the top of your lungs, everybody's feeling
right
Scream, at the top of your lungs, everybody's feeling
right
Scream, at the top of your lungs, everybody's feeling
right
Scream, at the top of your lungs, everybody's feeling
right

Intoxicated with desire
And you're the designated driver, yeah
I'm not afraid, 'cause I'm a rider, yeah
Ain't nothing wrong with feeling right, so won't you

Scream, at the top of your lungs, everybody's feeling
right (Scream)
Scream, at the top of your lungs, everybody's feeling
right (Oh)
Scream, at the top of your lungs, everybody's feeling
right (You make me scream)
Scream, at the top of your lungs, everybody's feeling
right

I love it babe, got me here doing things I don't ever do
You hold me down that's why I'm here making sure,
things are up for you (get it)
Like a getaway, the lights go off, you turn on
I love your place, cause I can hear the echo when you
make me ahh

Scream, at the top of your lungs, everybody's feeling
right (If your feeling good)
Scream, at the top of your lungs, everybody's feeling
right (Let me know)
Scream, at the top of your lungs, everybody's feeling

right (Scream)
Scream, at the top of your lungs, everybody's feeling
right (Show me it feels good)

In the car, at the party
Got his hands, On your body
Don't fight it, Ooh
If you like it, Ooh

In your room, on the rooftop
Feels good, don't stop
Don't fight it, Ooh (Don't you fight it)
If you like it, Ooh (Why don't you)

Scream, at the top of your lungs, everybody's feeling
right (Scream)
Scream, at the top of your lungs, everybody's feeling
right (Scream)
Scream, at the top of your lungs, everybody's feeling
right ()
Scream, at the top of your lungs, everybody's feeling
right (Uh, Sing it)

If you love me girl
Why don't you
If it feels good why don't you (sing it)

Uh, if you love me girl, why don't you just
Cuz when it feels good it (don't fight it)
If you like it

Yeah
Don't fight it, ooh
Yeah
If you like it, ooh

Don't you like that
It feels so good, don't it?
Grab my hand baby
Take a walk on the beach, clear your minds

Hold your string here
Don't you like that beat
You do?
What else you like?
Hmm

I can accommodate that
Oh you like my swagger?
You like how I changed it up?
I like it too baby

But for now

Hey the beat is going a little bit too long

Oh you like it this long? Hmm

That means you like to make love long?

Yeah, I feel that

Ooh

I like how you shaking your hips to it

It's about to end baby, but don't you stop

Keep it going

Keep it going

Keep it going

Bring it over here

Sit on my lap

Kiss me

No no no, right here

Yeah

Ohh i like that

Ooh i like that

Ooh

Lemme stop bullshittin', haha
